

## **APOLOGY TO CUSTOMERS IN SOLWEZI TOWN**

**Lusaka, 21 August 2022** – ZESCO tenders its sincere apologies to customers in Solwezi town and surrounding areas for the power supply outage experienced on Saturday, 20 August 2022 occasioned by a major fault at Solwezi Substation.

The works to restore power supply to the affected areas, including the deployment of a mobile substation, are underway and supply to essential facilities such as health facilities and water supply installations is expected by midnight while all the affected customers are expected back on supply within 48 hours.
